Esperanza Men's High School Soccer Program
PLAYER SPONSOR REQUEST FORM

October 1, 2009

Dear Player Sponsor:

The Esperanza Men's High School Soccer Booster Club is a non-profit charitable organization (IRS EIN: 33-0554691) established to help with the development and organization of student soccer players attending Esperanza High School.

Our program, more than ever, depends upon the help of sponsors in our community to assist in meeting the costs of maintaining our high quality program.

With the 2009-2010 soccer season now upon us, we are once again seeking the support of our community to continue our fine tradition. Your donation of any amount will go directly to the benefit of a player scholarship and will directly benefit an individual player of your election.

In addition, for a sponsorship of \$400, which would cover an individual player's entire annual booster fees, your generous donation will be noted in a special "Player Sponsorship" section of our team web-site and as well within our annual recognition and awards banquet program.

We thank you in advance for any support that you can contribute to help our players!

Sincerely,
Kino Oaxaca
Men's Varsity Coach

Ken Nelson
Booster Board President
